## Exhibition Catalogue

Explore the wonders of nature in this collection of paintings featuring Woodlands & Wetlands by Artist Lucy Fiona Morrison.

Morrison has established a reputation as a painter renowned for capturing the character and essence of the land. Driven by a desire to remind viewers of the beauty of the landscape and inspired by the diverse vistas she has experienced, Morrison is compelled to translate the breadth of colours, shapes and forms onto canvas.

This collection of oil paintings are composed of expressive colours and richly textured brushwork, offering abstract representations of the landscape.
